COURSE MARKINGS, SIGNS & RULES

The course is marked with **RED** day-glo tape **ON THE LEFT HAND SIDE**. If you find **SINGLE** stickers on your right, you are going the **WRONG WAY**. **STOP** immediately, check for other riders, turn around and proceed in the right direction.

CORNER MARKING.

Corners are marked with **TWO** sets of double stickers, one above the other. The first set is approx 30 meters before the corner, the second set at the turn.

For a left turn, the stickers will be on your **LEFT**.

For a right turn the stickers will be on the **RIGHT**.

This is the ONLY TIME YOU WILL ENCOUNTER STICKERS ON THE RIGHT SIDE OF THE COURSE.

DANGER AREAS.

Dangerous areas such as holes, dongas, no go areas, blind turns etc will be indicated by **RED & WHITE CANDY TAPE**. If you see tape, SLOW DOWN and LOOK OUT. Danger zones will also be marked with **CAUTION BOARDS. PAY ATTENTION TO WHAT THEY INDICATE.**

STOPPAGES, BREAKDOWNS & INJURIES

This is not a race, if you see a rider in need of assistance, stop and see if they're OK. If you stop or break down, **DO NOT TURN BACK ON THE COURSE!**

Pull off the course and stop another rider for assistance or wait for a marshal to assist you. Alternatively, phone one of the emergency numbers listed below or supplied to you at registration.

RIDING TIPS, DO'S & DON'TS.

Marshals must be obeyed at all times and recovery vehicles have right of way at all times. **Novice Riders**, it's advisable to ride in a group, you'll then have some one to help you through any tricky stuff and you can help them. You also have someone to enjoy the ride with. All signage on the course is there for a reason. **STOP** at stop boards, **SLOW DOWN** at caution boards and anything with candy tape is **DANGEROUS** or a **NO GO** zone so stay away.
